

Descendants of
 ANDERS JOHAN BLOMBERG (1839-1910) ^{1/10}
 and
 BETTY NELSON BLOMBERG (1850-1927)

Anders & Betty Blomberg

Anders Johan Blomberg, son of Lars Modig and grandson of Anders Erlandson Modig (who was bestowed the Modig name meaning "bravery" by the King of Sweden in the 18th century) was born in Tidaholm, Vastergotland, Sweden, on April 2, 1839. He had two brothers and three sisters. His occupation was in the field of masonry—building big bridges up in the mountains.

On June 22, 1870, he was united in marriage with Betty Nelson (born on Oct. 6, 1850, in Varmland, Sweden). To this union were born twelve children—the first five being born in Sweden; namely:

Hulda Marie - Nov. 12, 1871	722	24/4	1970
Hjalmer Reinholt - April 29, 1874		24/9	1963
Esther Elizabeth - Feb. 22, 1875		4 months	
Victor Gideon - April 27, 1877		13/2	1959
Esther Amelia - Aug. 15, 1879		14/4	1939
Carl Johan - Aug. 4, 1881		24/9	1934
Elyn Melvina - Sept. 7, 1883		24/11	1929
Emma Matilda - July 10, 1885		9/9	1923
Jennie Sabina - Oct. 19, 1887		12/5	1979
Ruth Eleanora - Sept. 20, 1889		13/9	1975
George Frank - June 16, 1891		23/6	1945
Arvid Bernadotte - May 12, 1893		27/5	1954

For want of religious freedom Anders and Betty Blomberg with their four children (Esther Elizabeth died June 21, 1875 at the age of four months) emigrated to America in 1881. Headed for Minneapolis from Boston, Massachusetts, a land agent met the train in Chicago, painting a rosy picture of prospects in Ogema. Thus persuaded, they bought land from him and made their home on the farm site north of Ogema. Many happy memories of the old home live on in the hearts of its former occupants and have been re-told through the years to their children, grandchildren and great-grandchildren.

Surely we have a rich heritage and owe a debt of gratitude to these pioneers of the Faith—our forefathers.

Dear cousin Sten,

I can't tell you how much I enjoyed the letter you wrote to sister Jennie. In fact, I have it here with me now. I can't thank you enough for writing to us as I have wondered so often where all of Uncle Alfred's children were. Many years ago I had a letter from Pontus who was studying Dentistry. Later I found that he had located at Hudiksvall. Is that right?

I am glad to know that Sanfred and Elin, your parents, are still living at Wiskan. They were married just shortly after Ester and I visited Sundsvall. Elsa and I went to Wiskan to visit Sanfred one day - and Elin was there - and had prepared a delicious dinner for us. After dinner we went out to the woods near by so I saw how "lingon" grow. Later we went out to Elins home, Torpshammar, where we had supper and spent the evening.

I visited at Uncle Alfred's home for about a month and in the meantime we went up to Hernösand and Nyland and met our relatives there. Of Uncle Alfred's family, I was most with Elsa and Ivar and corresponded with them for several years after I came home. Later I have lost track of them altogether. I know that Elsa married her Nels Edblad, with whom she was very much in love ~~with~~ when I was there.

I wish you would tell me all about Ivar, Elsa, Pontus, Hulda and Nels / Nisse we called him /. I never met Anna, and I know that Joseph died. If you could induce some of them to write to me I should be most happy. I should love to hear from your mother and father too.

Sister Ester died about twelve years ago and they had four children, three girls and a boy. All are married and have families. Her husband Erick Wallbom died four years ago.

As for me, I married Alfred Johnson about five years after I was to Sweden and we had four children, three boys and one girl. All are married and have two children each, so far. Orlin and Chester, my two oldest boys, live in New Jersey, about 20 mi. from New York City. I have been out there with them every winter since my husband died Dec. 6, 1947. Orlin said he'd like very much to hear from you if you should care to write to him. Jennie sent your letter to us out there so he read it. And we do thank you so very much for our fathers genealogy. I have often wished I knew something of my parents ancestors, mothers as well as fathers.

My third boy, Robert, lives at Mellan, Wis. about 40 Mi. from here and Dorothy lives in Ashland, 18 Mi. away. Dorothy and her family come home very often to see me and I spend much time with her too. We lived on a farm near here until my husband died. Three years later I sold it, as none of the children were disposed to take it over, and now I have bought a small home in the village where I spend my summers. My sister Emma and Conrad Tedlund, her husband, live near so I see them every day.

Perhaps you would like to know the ages of my children, - Orlin is 38; Chester 36; Robert 34; and Dorothy 31;

We've had so much rain in Northern Wisconsin this spring and the warm weather was so late in coming, but is finally here now. There have been so many storms to in our country recently, that have taken many lives. Most unusual.

well, now my letter is getting so very long that I must stop. Do ask your parents to write to me; I read the Swedish language very easily and I can write it too, only it comes a little harder and slower to write than English, and if you could contact Elsa and Ivar tell them I should so like to hear from them.

Greet your family and your parents so very much from me. May Gods blessings rest upon all of you.

Sincerely and with love from your cousin

Ella.

Would very much like to hear from you too, and soon if you can. E.J.

Arvid Bernadotte Blomberg

(With the completion of this "tree" we feel constrained to acknowledge the important part Arvid played in compiling the original data nearly ten years ago. Perhaps no one ever felt more "related" to his kin-folk than did Arvid who loved just to be with his "own", to relax and reminisce a bit, as well as look ahead into the future. We do miss him since his home-going on May 23, 1959, but do not grieve for we know he is rejoicing and happy in the presence of his Lord and the loved ones who have gone on to Glory. It has been my privilege to complete his "interrupted" work which is, I believe, a memorial to each one who has already entered those pearly gates of Heaven. -- Joyce Donaldson)
