

Anna Lisa Larsdotter (Modig) 1843 and Asta Fogelberg 1907

By Hans Forsslund descendant of Carl Modig

My mother Gunvor Margareta (Modig) Forsslund together with Gösta Forsslund, my father, went on a trip to USA in 1976. The trip was aimed to visit Gösta's USA relatives. Gösta had written a genealogy book about his relatives. When they passed Rockford mother remembered that she had a relative there, so they made a visit to Asta Fogelberg and her husband Eric. Address: 1533, 12th Avenue, Rockford, Illinois, z-61108 USA.

Gunne was told that Asta's father's mother – Anna Lisa – was a sister of Anders Blomberg and Carl Modig.

Then Anna Lisa and her husband Eric must have had at least one son (father to Asta), maybe born in USA.

My and Gunne's question is who was Asta's father and who went to America?

It was said that Anna Lisa emigrated in 1858 (this is wrong which is proven below)

Anna Lisa is daughter of Lars Erlandsson Modig 1889-1855 and Christina Svendsdotter (Blomquist) 1815-1897. They had 7 children.

1. Anders Johan (Blomberg) 1839
2. Sven August (Blomquist) 1840
3. **Anna Lisa (Lindelöf) 1843**
4. Carl Modig 1844
5. Alfred (Blomberg) 1848
6. Matida (Nordquist) 1849
7. Gustafva (Ellzén) 1852

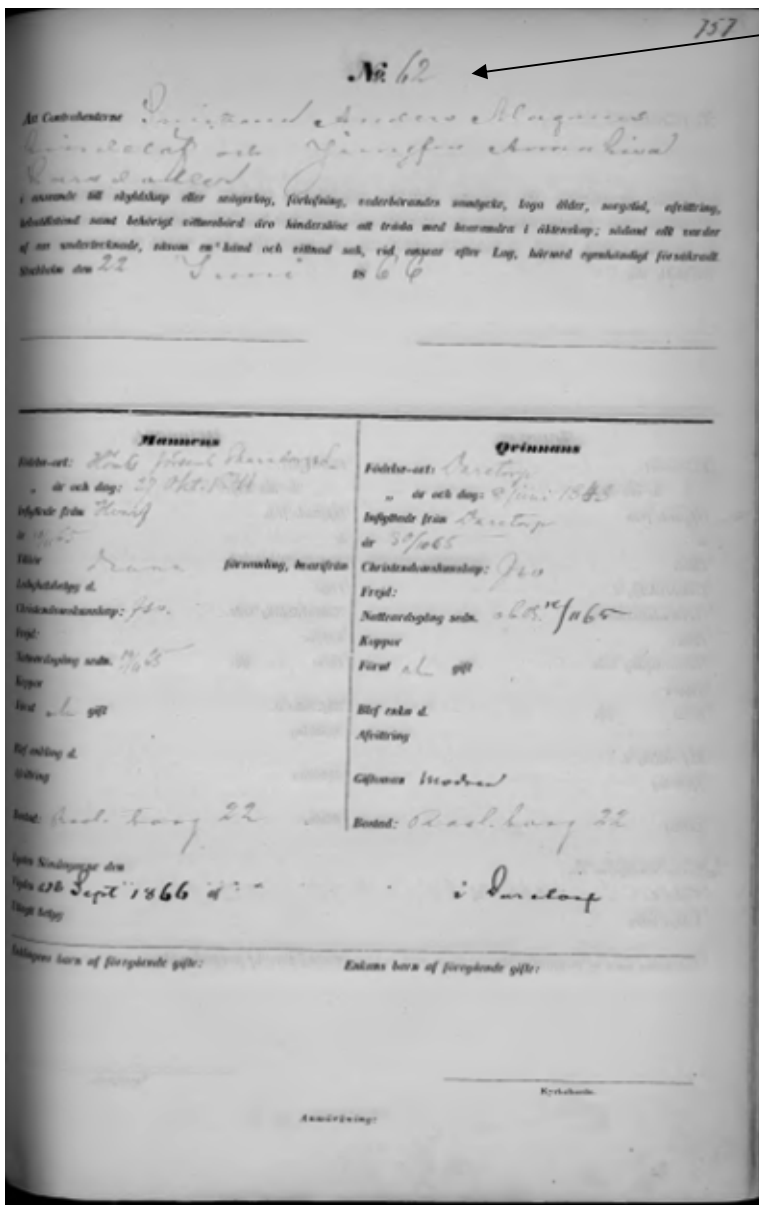

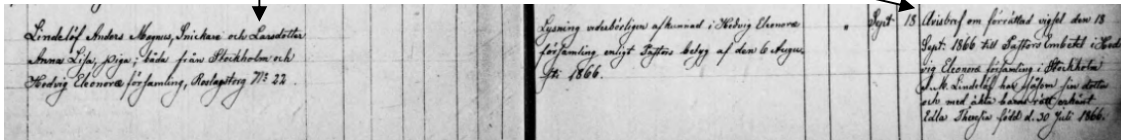

Here is my Research:

In the work I have used an internet connection to the Swedish National Archives where almost all *Swedish Church Records* are microfilmed and reachable in a picture format so you can sit at home and read those books. They are not digitalized in the way that the text is searchable. You have to read the documents and try to understand the handwritten text and spelling in old Swedish language. I have also used an internet service www.ancestry.com. Some of the pictures are difficult to read, but if you enlarge the document you may read the text.

The research starts in Daretorp where Anna Lisa was born. Daretorp is situated near and south east of Tidaholm.

From the proclamation and wedding book at the **parish of Daretotp**:
Anna Lisa married 18 September 1866 in the parish of Hedvig Eleonora in Stockholm with **Anders Magnus Lindelöf**. Booth living in Stockholm in the parish of Hedvig Eleonora at the address Roslagstorg 22. There is also a note that says that Anders recognized as his legitimate daughter **Edla Theresia**, born 30 July, 1866.

From the wedding book at the parish of **Hedvig Eleonora in Stockholm**:

Carpenter **Anders Magnus Lindelöf** born in Hämb's parish Skaraborg October 21 1841 and maiden Anna Lisa Larsdotter born in parish Daretorp June 8 1843. The wedding took place in Daretorp.

They are supposed to have emigrated to USA 1858 but that is wrong, as you will see further on. Anna Lisa died in Sweden Tidaholm 1920

Their grandchild is Asta Fogelberg. (Fågel=Bird Berg=mountain)

This is about how their daughter was registered before their marriage:

Edla Theresia was registered as having okända=unknown parents. Although she had a home address Roslagstorg N:o 22

Now we want to follow the lives of the small family Lindelöf.

It was difficult in the Stockholm books as there are so many people. Luckily I found a searchable Swedish Census from 1880:

Name: Anders Magnus Lindelöf
Home parish: Agnetorp
Home place: Tändsticksfabriken Vulcan (Match factory)
Contract: Kåkinds
County: Skaraborg
Born year: 1841
Born parish: Hömb, Skaraborgs län
Profession: Snickare (Carpenter)

About the household persons:

Anders Magnus Lindelöf, f. 1841 i Hömb Skaraborgs län, *Snickare*

Anna Lisa Larsdotter, f. 1843 i Daretorp Skaraborgs län

- Edla Theresia, f. 1866 i Daretorp Skaraborgs län
- Axel Hjalmar, f. 1874 i Agnetorp Skaraborgs län
- Frits Oskar, f. 1872 i Agnetorp Skaraborgs län
- Tekla Cecilia, f. 1829 i Agnetorp Skaraborgs län

With this information it was just to dig into the Agnetorps church archives. Agnetorp is near Tidaholm and 5 km north of Daretorp.

It looks as they bought a house with address Hägnevägen 5.

Here we find that Edla Teresia is classified as an idiot by the clergyman. Fritz Oskar (1877 4/3) died 1894 21/5, 17 years old

I could not find any more information about the family till I got a suspicion that there were changes in the parish borders. After 1885 Häringevägen was included in Tidaholm parish. I could continue in the enlarged Tidaholm parish.

In the Husförhörslängd Tidaholm 1895 - 1898 I found the family again.

Father Lindelöf must have died because Anna Lisa Larsdotter is named Änka=Widow. Anna Lisa is also the owner of the house. Edla Teresia (1866 30/6) died 6/8 1897, 31 years old. **Anna Lisa now only had the two boys left out of six children.**

In the Husförhörslängd Tidaholm 1898 - 1904

The remaining two boys have now moved out.

Karl Robert emigrated to America December 7 1900.

Ernst Julius did the same March 7 1902.

They give the indication that Asta is born in Tidaholm. But how is that possible when Ernst went to America 1902. I then tried the Swedish emigration internet page Emiweb

Here we find that Ernst left Tidaholm twice for America 1902 and 1910.

Asta is likely to have been borne before a few years 1902 so I went to the records of Tidaholm

In Ellis Island passenger lists I found that he arrived with MS Stockholm Apr 14 1921 in the manifest he declares that he has been in US 1916 -1920 in Rockford ill

- **Summary of Asta Fogelberg**

Now we have found the connection to Asta Fogelberg. She was a second cousin of Gunne Forsslund (Modig)

Her

- Grandmother parents were Lars Erlandsson Modig 1889-1855 and Christina Svensdotter (Blomquist)
- Grandparents were Anna Lisa Larsdotter Modig (Lindelöf) 1843 and Anders Magnus Lindelöf 1841
- Parents were Ernst Julius Lindelöv 84 12/6 and Anna Olivia Lust 87 18/1
- Brothers and sisters:
 - Karl Göran 09 19/9 (11 years to Agnetorp 1921 15/1)
 - Ernst Ragnar Brynolf 11 25/1
 - Ingeborg Margateta 12 13/12
 - Anders Lennart 14 13/7

I have found that she is no longer alive, so we have to rely on other relatives for further information. It will also be interesting to find out what happened to her brothers and sister.

This is the USA information on her:

Social Security-number: 348-24-6201

Latest: 61108 Rockford, Winnebago, Illinois, United States of America

Born: 5 Oct 1907 (5 okt 1907)

Died: Dec 1981

Asta has at least once been to Sweden:

Passenger Destination: New York from Göteborg

Together with her husband Carl Eric Fogelberg

She came back from Sweden 1947 15 September on the SS Drottningholm ship.

In the list it says that Eric is registered on Circuit Court, Rockford ILL 3/5 42 and Asta 15/4 47. Maybe it was a honeymoon trip to Sweden.
